Brunel supports your international career: since you are living in another country and probably don't immediately know how to find your way in the Netherlands, Brunel can help you with this. As an international company, we know better than anyone what it is like to move to a foreign country to work. This is why we can arrange the most important things - including those that don't involve your job - for you and your family so that you can fully focus on your career in the Netherlands. We will support you by housing, administrative matters and health insurance, but also by education and other facilities to make your international career as pleasant as possible.
